Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. Hepatrophin PMG contains Protomophogen™ extracts – uniquely derived nucleo-protein mineral extracts that support healthy cellular repair, replication and division.
2. The bovine liver PMG™ extract in this product helps keep the liver in a good state of repair to support healthy liver function..

These statements are made for a dietary supplement containing bovine liver PMG™ extract. Other ingredients include honey, and calcium stearate. The name of the product is Hepatrophin PMG®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
